The Dream Keeper Series

Part 3

Dreama awakens in a cold sweat, she goes into her bathroom, looking at her face, she gets into the shower. Her phone rings several times and the answering machine picks up.

"Not in.....duh, you know the drill wait for the beep."

The beep eventually comes and Angel is in his car en route to Dreama's apartment.

"Dreama, if you're there pick up. We need to talk, I'm on my way."

While taking her shower, dreama notices that for some odd reason the

water isn't going down the drain. She leans down and lifts up the vent and pulls out some hair. "Ew gross!"

Water goes down the drain and Dreama, steps out, puts on her robe, and begins to brush her hair looking in the mirror. She notices a hickey on her collar bone...."What is this?"

Angel stands behind her, "Looks somewhat like a hickey....."

Dreama jumps a bit scared, "Angel.....you gotto stop doing that."

"I called, you must've been in the shower."

"Very perspective, It's early....."

"Yes, put some clothes on, we need to talk...."

"Why?" Dreama teasingly walks up close to Angel, showing a little shoulder, "Do vampires blush? I wouldn't want to tempt you or anything." Angel pulls her robe back on her shoulder, she smirks, " You sure are grumpy this morning." Dreama goes into her room to change.

Angel sighs, "It's too damn early."

"One thing we can agree on....."

"You do know I wouldn't be here if it wasn't realley important."

"And what could be so important?"

Angel walks around the room, peers into the room that is half cracked and notices Dreama putting on a pair of jeans. "Astral Travel.....that's you huh?"

Dreama comes out of the room pulling on a t shirt. " That would be correct brainiac."

"You're a phenom.....does it ever chance?"

"What?"

"The physical form?"

Dreama smiles, "You're serious?"

"Well, we've never talked about it before"

"I'm sure you've read books about it Angel"

"It isn't the same....."

"I'm the Dream Keeper, she who has dreams....."

"And last night....."

"Angel, what about last night? What are you getting at?"

"Did you dream?"

"I don't know. I guess? Did you?"

"And doesn't this all seem to familiar? The dialouge?"

"Angel what are you saying, huh? You're scaring me."

"You were hear last night?"

"Yes, Angel, I was here, last night. Where else would I have been?"

"With me....."

"With you?"

"Most of the night."

"And, what were we....doing?"

"I was talking, mostly."

"And me?"

"Dreama, I was talking you down.....off the ledge."

Dreama's eyes of horror, turns into a smirk, then laughter.

"Okay Angel realley, I don't know why I'm laughing, because this all isn't funny....."

She continues to laugh uncontrolably, not something she wants to do. "I can't stp laughing.....Angel, I can't stop.....what's wrong? Angel?" As Dreama feels she is losing her mind, she screams out Angels name as he awakes in his own bed a bit horrified, even for a vampire.
